Sþ. **592. Svar** [128. mál]

fjármálaráðherra við fyrirspurn Kjartans Jóhannssonar um söluskattsskil.

1. Innheimtuaðgerðir vegna söluskattsskulda.

Almenna reglan er sú að það er lagt á vald innheimtumanna ríkissjóðs að meta það hvernig staðið skuli að innheimtu þannig að kröfurnar verði sem best tryggðar. Hins vegar eru dæmi þess að ráðuneytið hafi farið þess á leit við innheimtumenn ríkissjóðs að þeir fresti lokunaraðgerðum eða uppboði á meðan einstök mál eru til athugunar hjá skattyfirvöldum eða beðið er eftir niðurstöðum ríkisskattanefndar eða dómstóla um söluskattsskyldu eða skattfjárhæðir. Venjulega eru slíkar beiðnir ráðuneytis til innheimtumanna gerðar með óformlegum hætti, svo sem með viðræðum við innheimtumenn eða með orðsendingum. Auk þess hafa innheimtumenn stundum óformlegt samráð við ráðuneytið um það hvernig staðið skuli að innheimtu einstakra söluskattsskulda þegar um óvenjuleg atvik er að ræða og þá með það í huga að hafa samráð við ráðuneytið hvernig innheimta verði best tryggð. Þar sem mál þessi eru að öllu jöfnu afgreidd með óformlegum hætti í samráði við innheimtumenn hefur ráðuneytið ekki skrár yfir þau mál þar sem þess hefur verið farið á leit við innheimtumenn að þeir fresti uppboði eða lokunaraðgerðum vegna söluskattsskulda. Af þessum sökum er ekki hægt að svara þessari spurningu með öðrum hætti en hér er gert. Mál af þessu tagi eru þó fá á hverju ári.

2. Greiðslufrestur á aðflutningsgjöldum.

Ekki er að finna í lögum almenna heimild til að veita greiðslufrest á aðflutningsgjöldum.

Í 53. gr. laga nr. 59/1969, um tollheimtu og tolleftirlit, sbr. l. nr. 31/1979, er svohljóðandi heimild:

„Fjármálaráðherra getur með reglugerð heimilað tollstjóra að veita innflytjendum tiltekinn greiðslufrest á aðflutningsgjöldum. Greiðslufrestur þessi skal aðeins veittur gegn fullgildri bankatryggingu eða annarri hliðstæðri tryggingu, sem fjármálaráðherra tekur gilda, og bundinn því skilyrði, að varan sé tollafgreidd og flutt úr vöruafgreiðslu innan þess frests, sem ákveðinn verður í reglugerð, og má hann eigi vera lengri en einn mánuður frá komudegi fars þess er vöruna flutti til landsins.

Takmarka má greiðslufrest samkvæmt þessari grein við ákveðnar tegundir vöru.

Af aðflutningsgjöldum, sem greiðslufrestur hefur verið veittur á samkvæmt 1. mgr., skal heimilt að reikna sömu vexti og hjá innlánsstofnunum, sbr. 13. gr. laga nr. 10 29. mars 1961, og ákvörðun Seðlabanka Íslands á hverjum tíma. Vextir reiknast með sama hætti og hjá innlánsstofnunum."

Fram til þessa hefur heimildin ekki verið notuð til að veita almennan greiðslufrest á aðflutningsgjöldum en hins vegar verið höfð hliðsjón af henni í undantekningartilvikum þegar veittur hefur verið greiðslufrestur vegna innflutnings á nokkrum vörutegundum. Heimildir þessar hafa verið mjög takmarkaðar og yfirleitt ekki veittar nema í þeim tilvikum þegar sérstakar ástæður hafa verið taldar geta réttlætt greiðslufrest, t.d. þegar um innkaup á vörum hefur verið að ræða frá löndum sem ekki hafa getað haldið útflutningshöfnum sínum opnum nema hluta úr ári og innflytjendur því orðið að kaupa vörubirgðir sem tekið hefur allt að hálfu ári að selja á innanlandsmarkaði. Sköpuðust þessar aðstæður hér áður fyrr einkum vegna kaupa landsmanna á timbri frá löndum við Eystrasalt. Þá hefur í framkvæmd gilt sú regla að tollafgreiðsla á vörum til skipasmíða og viðgerða að skipasmiðjum, viðgerðaraðilum og útgerðarmönnum hefur verið heimilað að greiða aðflutningsgjöld af vörum til þessara nota gegn útgáfu skuldarviðurkenningar sem síðan hefur verið skuldajafnað vegna endurgreiðslu aðflutningsgjalda sem heimiluð er samkvæmt 28. tölul. 3. gr. laga nr. 120/1976, um tollskrá o.fl., og reglum nr. 172/1985, um endurgreiðslur tolla vegna skipasmíða og skipaviðgerða. Þá má nefna að fjármálaráðherra hefur gert samkomulag við flest bifreiðainnflutningsfyrirtæki um allt að tuttugu daga greiðslufrest á aðflutningsgjöldum af innfluttum nýjum bifreiðum og hafa aðflutningsgjöld af bifreiðum verið þannig lánuð frá árinu 1974. Einnig má hér minnast á að sérstakt greiðslufyrirkomulag hefur gilt um innheimtu gjalds af gas- og brennsluolíum, svo og bensíngjalds.

Samkvæmt 10. tölul. 3. gr. laga nr. 120/1976, um tollskrá o.fl., sbr. reglur nr. 229/1981, um tímabundinn tollfrjálsan innflutning bifreiða og bifhjóla sem skrásett eru erlendis, er tollyfirvaldi heimilt að veita mönnum sem búsettir hafa verið erlendis leyfi til tollfrjáls innflutnings á bifreiðum og bifhjólum í allt að þrjá mánuði talið frá komudegi flutningsfars til landsins, að uppfylltum nánar greindum skilyrðum. Taki viðkomandi sér fasta búsetu hér á landi eða flytji búslóð sína hingað til lands skulu aðflutningsgjöld, þar með talið sölugjald, þegar greidd. Innflytjanda er þó heimilt að greiða aðflutningsgjöld, þar með talið sölugjald, gegn útgáfu skuldabréfs er greiðist með þremur jöfnun afborgunum ásamt hæstu lögleyfðum útlánsvöxtum, í fyrsta sinn að liðnum sex mánuðum talið frá komudegi flutningsfars til landsins og hina síðustu að liðnum 12 mánuðum talið frá sama tíma. Sjálfsskuldarábyrgðar banka fyrir greiðslu skuldar, vaxta og dráttarvaxta er krafist.

Í sérstökum tilvikum hefur ráðuneytið heimilað að tekið sé við skuldarviðurkenningu eða víxlum til tryggingar aðflutningsgjöldum og/eða sölugjaldi enda standi vilji stjórnvalda

til að afla lagaheimildar síðar, t.d. í fjárlögum. Við þær ákvarðanir er sérstaklega höfð hliðsjón af sambærilegum afgreiðslum Alþingis. Samþykki Alþingi síðan lög er heimila niðurfellingu eða endurgreiðslu gjalda af þessum innflutningi hefur sú heimild verið notuð til að falla frá innheimtu skuldarviðurkenningar eða víxils.

Hjálagt fylgja listar sem unnir voru af ríkisbókhaldi yfir þá aðila sem heimild hefur verið veitt til að greiða aðflutningsgjöld með skuldarviðurkenningum á árunum 1984 og 1985 og til októberloka 1986. Í listum þessum er um að ræða þrjá dálka er gefa brúttóupphæð veittra skuldarviðurkenninga, að viðbættri stöðu frá fyrra ári, í öðru lagi greiddar og niðurfelldar skuldarviðurkenningar og í þriðja lagi er mismunadálkur sem sýnir stöðu í lok tímabils. Þá fylgja upplýsingar um fjölda veittra skuldarviðurkenninga og heildarfjárhæðir þeirra á árunum 1980–1986.

3. Greiðsla skattsekta.

Engin dæmi eru þess að ráðuneytið hafi heimilað greiðslu skattsekta með skuldabréfum.

Skuldarviðurkenningar vegna innflutnings.

	Upphæð útgefinna skuldarviðurk.	Greiðsla skuldarviðurk. — niðurfellt	Mismunur	Fjöldi skuldarviðurk.
1980	355 914 078	329 753 762	26 160 352	4 594
