Efni: Against Circumcision of Children - Jews Support Bill 183

Dear Parliament Member,

I am writing to express my strong support for bill 183 which will criminalize circumcision (genital mutilation) of underage boys and girls.

As a secular Jewish Israeli, I wish to let you know that there is a rapidly growing movement among Jews and among Israelis to leave our children intact (not-circumcised).

Circumcision of a child unable to consent is genital mutilation. It is an irreversible surgery that robs the child of an important body part.

Thank you for having the courage to protect children and fight for this important bill.

Sincerely,

Gideon Gourell
