Subject: Against Circumcision of Children - Jews support bill 183

Dear Parliament Member,

I am writing to express my strong support for bill 183 which will criminalize circumcision (genital mutilation) of underage boys and girls.

As a Jewish Israeli, I wish to let you know that there is a rapidly growing movement among Jews and among Israeli's to leave our children intact (not-circumcised).

Circumcision of a child unable to consent is **genital mutilation**. It is an irreversible surgery that **robs the child of an important body part**.

Thank you for having the courage to protect children and fight for this important bill.

Sincerely,

Sharon Komash
